

## RULES OF THE GAME:

# THE PAPARAZZI GAME

The task is to secretly photograph everyone in the group, without being spotted yourself!

We all play two roles: a famous character and a paparazzi.

Everyone has a map to keep track of their route around the Fleet Street area, and a camera to capture the 'famous characters'.  
**You should record your movements on the map provided.**

First person to 'capture' all 6 celebrities wins and is awarded the right to be Official Photographer for a new Fleet Street newspaper.

Time limit: **1 hour**

The game starts **at 11am on 21<sup>st</sup> October** – Izati will communicate with you via text to confirm that everyone has arrived and is in position to start the game.

**Good luck!**

**Don't Get Caught Out!**

*Welcome to your first assignment with Fleet Street Photographers. A special event will be attracting celebrities to the area on Thursday 21<sup>st</sup> October, and it is up to you to capture them on film.*

*Use your best surveillance skills to take photos with stealth and secrecy – but watch out, there are photographers after you, too!*

*The first to photograph all 7 'celebrities' wins the assignment and a big promotion in our Fleet Street offices.*
